ULTRALITE HEIGHT SAFETY HELMET

VENTED

PRODUCT INFORMATION

First for Safety and Built for Comfort this helmet will exceed your expectations.

The Ultralite helmet from Leachs has been designed for both professional work-at-height and ground application. It is lightweight, comfortable and features 10 air intakes that provide cooling and ventilation. The air intakes on the outer shell are equipped with a protective aluminium grille that prevents entry of debris into the helmet. The helmet's outer shell is made of high density ABS Plastic and designed to withstand impact from the above or side.

The soft breathable liner conforms to the shape of the head for improved comfort and centre fit adjustment system ensures centering and optimal stability of the helmet on the head.

CONFORMS TO

Conforms to EN12492 Standard

EN 397 standard: Shock Absorption and Penetration and resistance to lateral deformation.
